Barb Motley, 47, passed away Thursday, January 28, at Aultman Hospital.

Barb was an employee of the Stark County Family Court for over 26 years. She endured, without complaint, working in the old Stark County Office Building and enjoyed working on the 6th and 4th floors of the remodeled County Office Building. Barb was a kind and gentle spirit who you probably knew for her friendly smile.

Barb began her employment with the Court as a receptionist in 1983. Her most recent position with the Court was secretary to the CASA/Guardian ad litem program of Family Court.
